Dear Dr. Sanclemente,

On behalf of World Association of Non-Governmental Organizations (WANGO), I am delighted to welcome to our family of NGOs as a Regular Organization Member.

A username and password is required to access the Member Section on the WANGO website, [www.wango.org](http://www.wango.org), which contains relevant resources and information for you. Once you have accessed My Member Section, you have the option of changing these to any combination of letters and/or numbers by selecting the [Change Username/Password](#) icon and entering the new information.

Attached is the information data sheet of your organization currently in our database. Please correct the mailing address, and verify that all the rest of the information is correct, since it is viewed by other WANGO members. Future correspondence from our office and the WANGO *NGO News* will be routed through the email address(es) on your member site; therefore, **please make sure they are kept**

**up-to-date.**

Corrections/updates can be made online by selecting Update Member Information in My Member Section accessed through the Member Section. If you are unable to do this online, please send the changes necessary to [membership@wango.org](mailto:membership@wango.org).

For your convenience, the *Member's Handbook* can be accessed in the Member Section of the WANGO website.

Below is noted the link to the *Code of Ethics and Conduct for NGOs*, which was developed by the WANGO Code of Ethics Committee. You are invited to sign on as a 'Supporter' through completing the form on the website at: [www.wango.org/activities/coecampaign](http://www.wango.org/activities/coecampaign)

Please visit our website regularly at <http://www.wango.org> for updates on activities, organizational matters and membership services. Through the *Sharing Resources* feature, a forum is provided for networking and sharing project ideas, finding project partners, posting grant information, etc.

WANGO members are encouraged to submit reports or articles on their activities for the quarterly newsletter *Beyond Boundaries* and *WANGO NGO News*. WANGO publications, reports and newsletters offer practical and important information for members at reduced prices, or no cost.

WANGO is looking forward to working together with you to accomplish our common objectives.

With best regards,

Taj Hamad

Secretary General, WANGO
